

# 1<sup>st</sup> Scandinavian Master Programme in Obstetric Anaesthesia

This is an advanced education programme for specialists in anaesthesiology, with a special interest in obstetric anaesthesia, from the five Nordic countries.

**The programme lasts two years and consists of:**

- Clinical training working in one or two departments of anaesthesia, at least one with a special division for obstetric anaesthesia
- Four SSAI courses in various Nordic countries and participation in the SSAI Congress 2011
- A four week exchange programme in a foreign country
- A Master project

After fulfilling the Master Programme, the candidate will be awarded a SSAI Certificate in Obstetric Anaesthesia

For further information please check SSAI website:  
[www.ssai.info](http://www.ssai.info)

Application deadline 1 March 2009.

Programme start date 1 September 2009
