

Surviving Sepsis

A crash course in **FOAM**

Stuart Duffin

Niklas Jonsson

If you want to know how we practiced medicine 5 years ago, read a textbook.

If you want to know how we practiced medicine 2 years ago, read a journal.

If you want to know how we practice medicine now, go to a (good) conference.

If you want to know how we will practice medicine in the future, listen in the hallways ...

...and use **FOAM**
