

**Karolinska
Institutet**

Karolinska Institutet and Olof Norlanders Minnesstiftelse announce

Travel Scholarship 2023 in the amount of 110 000 SEK

The scholarship will be awarded to support a promising or already established Nordic researcher in the field of **Anesthesiology and Intensive Care** during a research stay at a foreign medical institution.

Research concerning intensive care to patients with immunological disorders has a high priority.

The application should be accompanied by a current curriculum vitae including a list of publications and presentations. A detailed description of the planned research project and financial planning should also be included, as well as an explanation for the choice of institution to be visited.

The application should be mailed to:
PMI-FOU.karolinska@regionstockholm.se no later than October 1th 2023

The scholarship will be announced at the event of
The Olof Norlander Day in Stockholm at the same occasion the
Olof Norlander Honorary Lecture will be held.
